Volunteer Research

The NMD is seeking volunteers who are interested in learning about dental history and oral health.

Responsibilities

Responsibilities may include but are not limited to:

- Conducting research on historic objects within the collection or topics related to the museum's mission.
- Updating collections management database with new information.
- Collaborating with other museums, organizations, and institutions as necessary to complete research.

Requirements

- Interest in and understanding of dentistry and history related topics.
- Independent and organized worker.
- Interest in learning about the museum's collections and exhibits.
- Must be able to lift a minimum of 20 pounds.

Apply

Please fill out an [online application](#) for this position. If you have any questions or concerns, you may contact Patrick Cutter at pcutter@umaryland.edu.
